

Summer 2022 - 7 Islands in 7 days

Sail and Tango Summer Cruise to Ionian Islands (Greece)

From 2 to 9 July 2022

A proposal for a wonderful holiday made by the music of the wind and the tango.

In the footsteps of Ulysses it's an unforgettable journey in the magical waters of the Ionian islands. Meeting point of many civilizations and cultures, the navigation area is ideal for a relaxing sailing holiday and suitable for all: winds are never too cold, mooring are not crowded, and there is a variety of islands and bays.

A cruise where the most fascinating among the Ionian Islands in Greece will be the perfect setting for the moments devoted to tango both on board and ashore.

After boarding in *Sami (Kefalonia)*, we will touch *Meganisi, Ithaca, Kalamos, Kastos, Atokos...* islands rich in history and natural beauty, covered with olive trees and surrounded by sweet bays and easily accessible white beaches.

We will sail with four comfortable boats 3/4 double cabins and 2/3 bathrooms each.

On board, the cruise will be entrusted to the skippers of Horca Myseria with full participation of all the crew who will enjoy relaxing in the beautiful landscape that will parade along the route, may learn the rudiments of sailing maneuvers and discover the charm of a boat that moves on the water driven by the wind.

Serviced by *Monica Maria* (www.monicamaria.net) and *Yatma Diallo*, our tango masters, participants will learn the first tango steps or deepen their knowledge in a customised way.

And in the evening, under the stars, led by the stories and the texts translated from Spanish by Monica Maria, we listen together to some tangos to discover the stories it contains.

Or we learn the silent language of glances to invite mates to dance.

Unhurried and away from the stress, the participants, a bunch of more than thirty merry people, will sail in flotilla with the opportunity to gather together, whenever you want!

An unforgettable holiday, with an ideal navigation range that will combine perfectly the pleasure of life on board to that of a big company.
